CEREMONY AND RECEPTION ROOMS

The Garden Lounge

Light-filled and stylish, the Garden Lounge is a beautiful setting to say "I do." With space for up to 70 guests, its bright, airy ambience flows seamlessly onto the garden terrace, creating a connection with nature.

This flexible space is your blank canvas. Dress it with soft candlelight, a sweeping floral arch, or delicate chair décor - whatever brings your vision to life. Our team is on hand to help transform the room into something that is truly and uniquely yours.

As day turns to evening, the Garden Lounge becomes the vibrant centre of your celebration. With room for a dancefloor and DJ, it's the perfect place to dance the night away with everyone you love.

Your Reception

After your ceremony, an adjoining room awaits, offering the perfect setting to enjoy your wedding breakfast and raise a glass with your loved ones. With doors opening directly onto the terrace and landscaped gardens, guests can spill outside for photographs, al fresco refreshments, and magical moments under the stars.

OUTDOOR CEREMONIES

For a spring or summer celebration, our garden becomes the most romantic aisle. Exchange your vows outdoors in our garden gazebo, surrounded by the beauty of nature and framed by views stretching from our country house to the fields and fells beyond - a setting made for memories as natural and heartfelt as your "I do."

Let the charm of the Lake District landscape set the scene and allow the great outdoors to play its perfect part in your love story.
